150th Anniversary Celebration--Call for materials

As many of you know plans are underway to celebrate the 150th anniversary of the founding of Mt. Pisgah Lutheran Church in 2009. It was on August 21, 1859 that Abraham Bolick gave one acre of land where the old Pisgah cemetery now stands for the use of "all Christian professions and Believers in Christ and also for school service." Out of that humble beginning, prior to the Civil War, has come our beloved congregation.

The 150th anniversary committee is seeking material related to history of our congregation. If you have any old church directories, annual reports, copies of church constitutions, other documents, letters, photos, or other memorabilia that you would consider loaning or giving to the archives of the congregation, we would like to know about them. Please contact either, Bill Oelkers, Laurie Wegner, or Janice Simmons if you can help in this way. We plan to use the material to compile an updated and expanded history of the congregation and subsequently to begin to maintain a permanent congregational history archive. Thanks.

What are some of the ministries duties?

Each month one of Mt. Pisgah's nine ministries will be highlighted in the Pisgazette. The ministries are looking for enthusiastic members with new ideas. Please read each description and listen for God nudging you toward a particular ministry. If you are already participating on a committee, thank you. If you aren't already involved we're hoping you'll take this opportunity to contribute to the church while making new friends and enjoying fellowship with your church family.

We highlight ... **Christian Ed. Committee** this month!☺

While most committees are less busy during the summer, Christian Education gears up for a full slate of activities. Mt. Pisgah's Vacation Bible School is June 24-28. If you would like to help with VBS, see Crystal Cook, and she will find a place for you to help with this favorite summer activity. If you wish to join this ministry, contact Kelly Daughtrey (495-2754), council liaison. New members are always welcome.

Christian Education

This ministry oversees the full range of Mt. Pisgah's Christian education. It studies, designs, recommends, and implements ever-changing programs: Vacation Bible School, Sunday School Teachers and materials, confirmation, adult Bible studies, preschool, Rally Day, Christmas programs, Kids in Christ, and others. The committee has also sponsored Walk Thru the Bible, presentation of Bibles to children, mentoring youth, and Teacher Appreciation Sunday. This is definitely a busy committee.

Every Christian’s Mission

“If I can stop one heart from breaking, I shall not live in vain,” wrote Emily Dickinson. We don’t know what prompted her comment, but Christians should consider that a vital part or our mission in God’s world is to prevent hearts from breaking.
